► WHAT FRAMEWORK WILL I USE FOR MY SITE?

Bootstrap

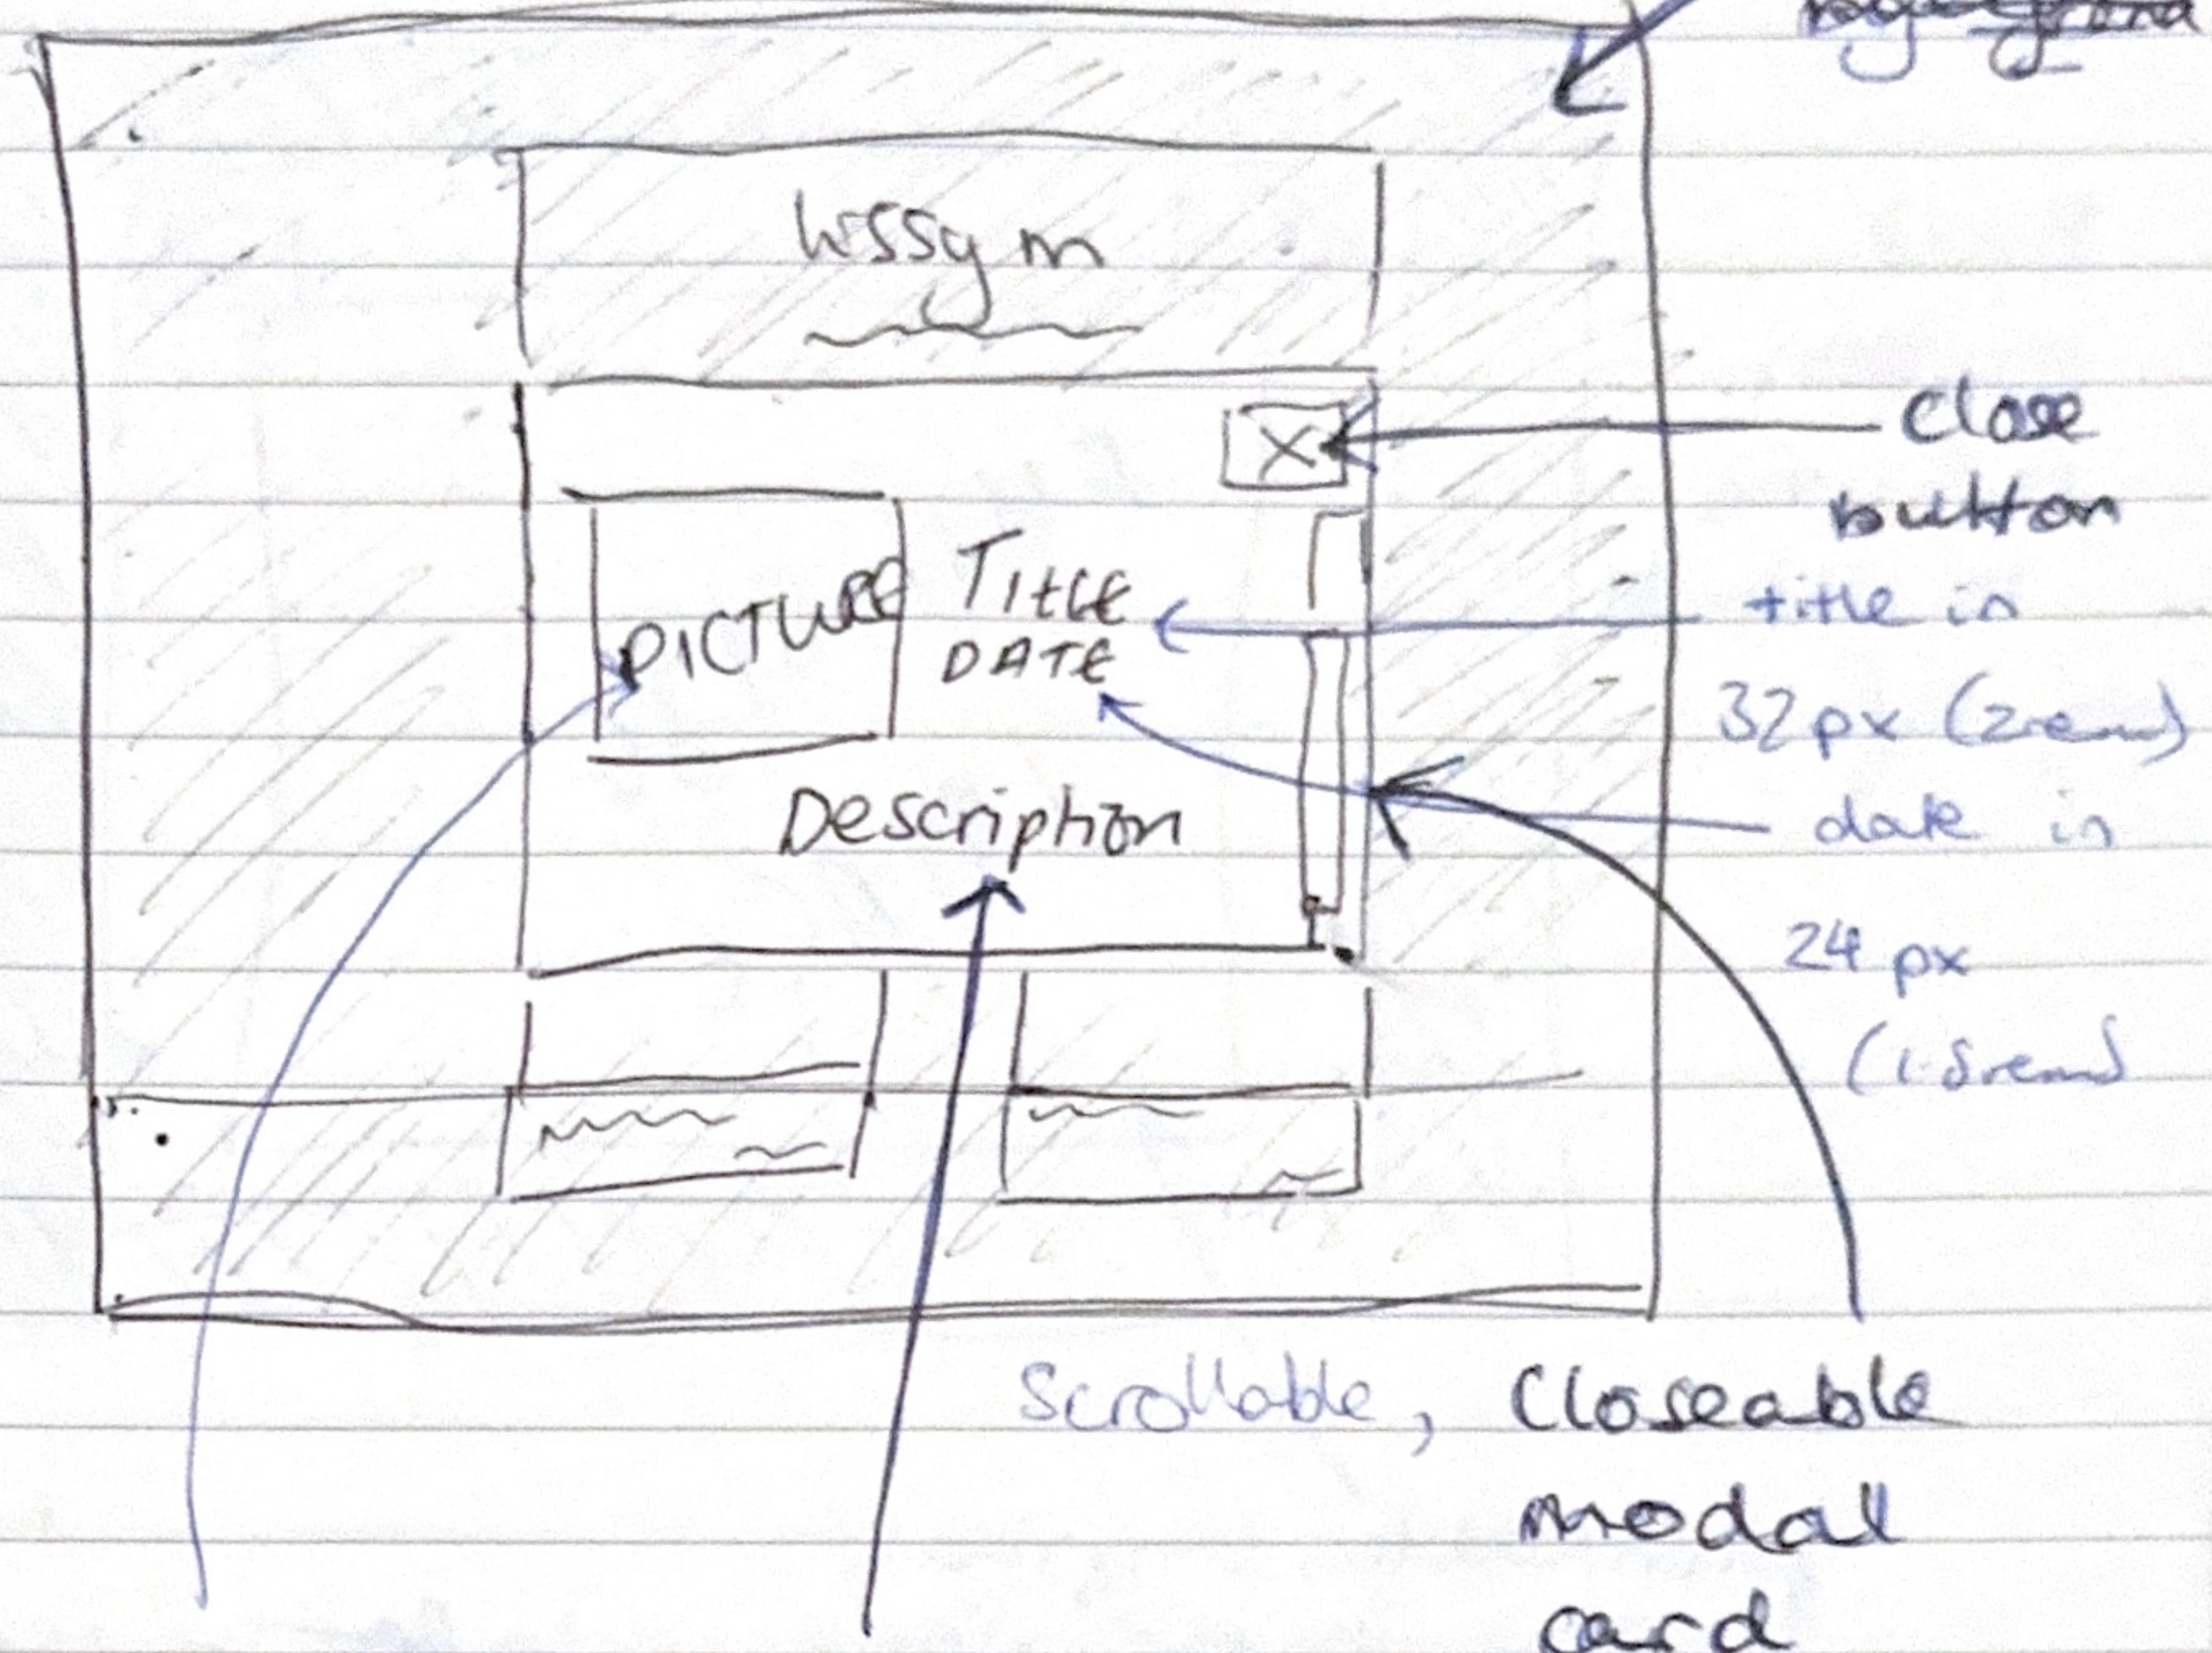

* Portfolio page (About me)

* Portfolio page (Contact) with a form.

A hand-drawn wireframe of a portfolio page section titled "Contact". It features a form with fields for "FIRST" and "LAST" names, "EMAIL", "SUBJ", and "BODY". Below the form is a "Submit button". Handwritten notes provide styling details: "48px website logo, 3rem subtitle in 32px (2rem)", "Form label in 16px, bold", "text input in 16px", "heading in 32px (2rem)", and "Submit button after mailto: lissym@smail.com".

(portfolio) description box is 16px
image, square

* Portfolio page (Contact 2)

A hand-drawn diagram of a contact form. At the top, there is a heading "Contact me". Below the heading are two input fields: "FIRST" and "LAST". Below these fields is an "Email" input field. Below the email field is a "Subject" input field. Below the subject field is a "Body" input field. At the bottom of the form is a "Submit" button. A message "Email sent." is displayed below the submit button. A large bracket on the right side of the form points to the text "Closeable message after clicking submit".
